

May 16th to 20th 2022

National Week of Agriculture in School

QUIZ

TARGET AUDIENCE

1st grade to 4th grade

GOALS

- Grasp the concepts
- Consolidate the new learnings
- Understand the importance of the Common Agricultural Policy (CAP)

MATERIALS

- Ten true or false questions

PROCEDURE

- Presentation given by the teacher containing information about the CAP (supported by CAP4Teachers materials)
- Divide the class into several teams
- Next, each team attempts to answer the true/false questions (trying not to speak loudly so that other teams cannot hear)
- By the end of the stipulated time, the teacher reunites the class and reads each question out loud while asking all teams for the chosen answer
- While helping to find the right answer, the teacher can seize the opportunity to ask further related questions and elaborate on each topic (considering the student's interest)
- For each correct answer, teams score one point

May 16th to 20th 2022

National Week of Agriculture in School

“CAP4ALL” QUIZ

Quiz sheet for teachers (with answers)

Agriculture can be considered the activity that, among others, produces food.

CAP stands for Children’s Autonomous Policy.

CAP was born in 1962.

All European countries are covered by the CAP.

The CAP helps people to get food at accessible prices.

To increase the food waste is one of the CAP’s objectives.

The CAP allows for the farm animals to be happy and to be properly taken care of.

The planet’s well-being is not being considered in the CAP’s policies.
